SECTION III.

Any member or subscriber may take a second work from the Library, and retain the same for the time specified therein, on payment to the Librarian of five cents per week for the time such work is detained; and subject to payment of fines in the same manner as for the first work taken out.

SECTION IV.

Any member or subscriber keeping a work longer than the time specified therein, shall be fined three cents for each week it is so detained, and when two fines shall have been incurred, the Librarian shall inform the party thereof in writing, by post or otherwise; and in case the Book is not returned, and the fines paid, he shall report the same to the Library Committee.

SECTION VII.

All books must be returned to the Library by the first Monday in May, in each and every year, from which time the Library shall remain closed until the Monday following, so as to enable the Directors to make the examination required by By-Law No. III., section 4, sub-section 9; and any member or subscriber retaining a book in violation of this section, shall pay a fine of twenty cents.
